FINGERS OF STEEL® PUBLICATIONS

Tunes And Techniques - Liza Jane

by Aaron O'Rourke

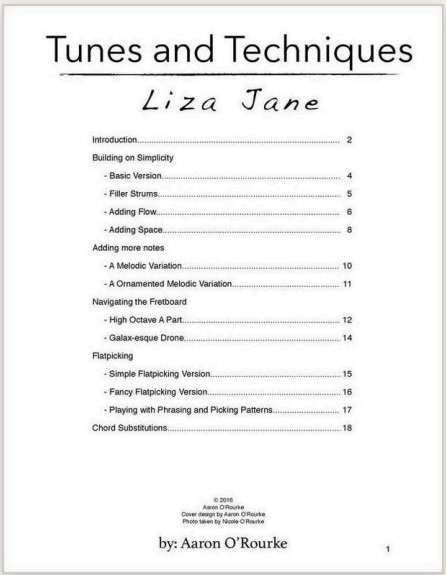

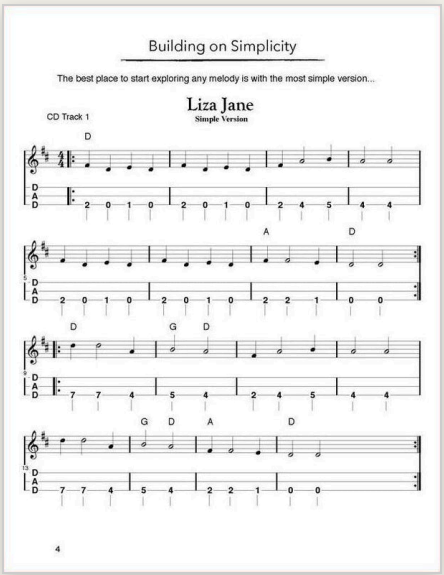

Aaron O'Rourke's Tunes And Techniques series teaches mountain dulcimer skills one tune at a time. In Tunes And Techniques – Liza Jane, the old-time tune "Liza Jane" is the vehicle.

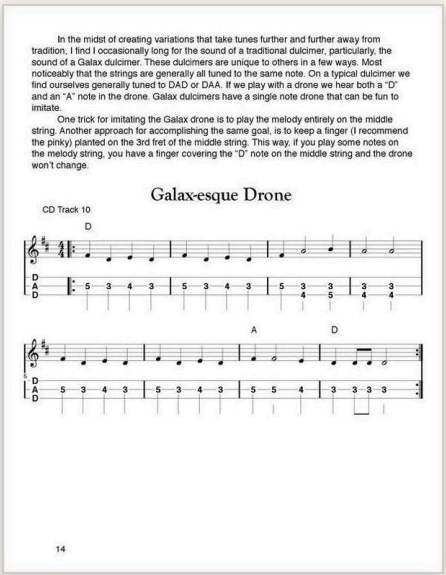

As you learn the tune, Aaron introduces fundamental dulcimer techniques and some more advanced ones. It's a compact way to study with a top teacher and have fun doing it. The series has five books in all.
