Pig In A Pen (And Other Fiddle Ditties For Galax Dulcimer)

by Phyllis Gaskins

Pig In A Pen (And Other Fiddle Ditties For Galax Dulcimer) is Phyllis Gaskins' second book on the Galax dulcimer, following A Job Of Journey Work. It's another comprehensive look at the instrument's unique playing and construction style.

Each song comes with playing instructions and Phyllis's own adapted notation for the authentic Galax style. The book also covers Galax dulcimer history and construction and the artists who defined the style. Phyllis, also an artist, illustrated the whole book around its title theme.
