FINGERS OF STEEL® PUBLICATIONS

Classical Melodies For Chromatic Mountain Dulcimer

by Dana Gruber

Dana Gruber brings thirteen well-loved classical melodies to the chromatic mountain dulcimer in DAD tuning, from Beethoven and Debussy to Satie, Tchaikovsky and Scott Joplin. The book mixes solo arrangements with four duets for two dulcimers, each part written out in its own standard notation and tab, with capo and key notes on every piece.

Two-page arrangements are laid out to open flat across facing pages, so there are no page turns in the middle of a piece.

13 tunes | DAD tuning | 42 pages
