13 More Great Tunes That Seriously (Almost) Nobody Plays

by Butch Ross

13 More Great Tunes That Seriously (Almost) Nobody Plays is Butch Ross's second collection of rarely heard tunes for mountain dulcimer. Some are a bit challenging; most are simply obscure, and well worth knowing.

Almost every tune is in the key of D, in DAD tuning. When a tune is usually played in a different key, the book also includes a version in its traditional key.
